

Shuto Con 2018 Group Discount Form

Shuto Con will provide a **\$7 discount (approx. \$5 after fees are covered)** per badge for members of Educational Organizations, anime clubs, or general hobbyist clubs that have to do with anime, cosplay, or gaming. In order to be considered for the discount, the following terms must be completed:

- You must have at least 10 members in your club in order to be considered for a Group Rate discount. There also must be at least 10 members signing up for the Group Rate at the same time to get the discount (including the main person signing up).
- Club must have a website and/or Facebook (social media) page/group with at least 10 members in it.
- The main group contact must be 18+. This must be a club adviser, teacher, club president, or founder/current head. The main group contact must be present during the entire time the club is at the convention, and must purchase a discounted badge along with the rest of the group (we will count the MGC as attendee #1).
- Individual group members will be able to pick up badges on their own and will not need their MGC to pick them up for them, however all members will need to sign up for the discount at the same time. Additional club members will not be able to be added on at a later date.
- Group attendees will still need an ID (state, school, etc) to be able to pick up their badges.
- All Club/Organization members must be 13+.
- Contact for the main group contact must be valid, as we will be emailing/calling to verify that all the information is correct.
- When ordering your badges, all members must select the same type of badge (3-Day). Please make sure everyone can all participate on the same level.
- Registration and payments are all done through our Eventbrite page, as we will no longer be accepting paper registrations. The MGC is expected to have registration information for each of their group members when ordering their group badges, and can register 10 at a time. Please be advised that even though we are offering a \$7 discount, there will still be payment processing fees involved (approx \$2.12 per badge), averaging out the discount to approximately \$5. Please be sure to factor in the fees when collecting your payments.
- Club/Organization submissions must be received and processed by February 25th, 2018, no exceptions.

We will not process your registration if you fail to follow all these requirements.
